## About: atlanta

**atlanta** started in 1992 to deliver the catering industry in Spain with new innovative products. Over the years, the delivery area grew wider and wider. Now **atlanta** has about 10,000 customers and services mainland Spain, Portugal and islands in the Balearics and Canaries. The range consists of a lot of products exclusively developed for **atlanta**, as well as of many imported products from around the world.

The „Cactus River“ brand was founded to give the Mexican & Tex-Mex products their own identity. You will find a lot of authentic products either imported directly from Mexico, or produced in Spain to original recipes under this brand.
