

About: California Cookies & Cakes

The California Cookies & Cakes GmbH based in Ober-Ramstadt, Germany was founded in 2000. We place great emphasis on fairness & teamwork. That's how we work with our customer, our suppliers & within our own team. We are very flexible to accommodate your requirements. We bake fresh products in our bakery daily for you to offer your customers this great spirit and high quality. All our products are handmade using traditional and newly-created recipes baked to your demand.

Our core products are classic cookies, brownies and biscotti. We bake original cookies with a soft centre and a crunchy edge. Our brownies are traditionally juicy and soft. Our product assortment is rounded off by our own individual creations - quite often seasonally inspired. We also bake vegan sweets to enlarge your customer base.
