ARTISAN BAKERS

About: Coghlan's

Coghlan's has been a family run artisan bakery since 1988. Founded by Brendan & Yolanda Coghlan, the bakery started as a single retail outlet in Dublin City centre. They've come a long way since then and these days the team at Coghlan's is proud to call themselves innovators in the Irish baking industry. They strive to challenge the status quo and to continually bring new products to market. They know this is essential to remain relevant in today's thriving food scene.
