

About: Bites Royal

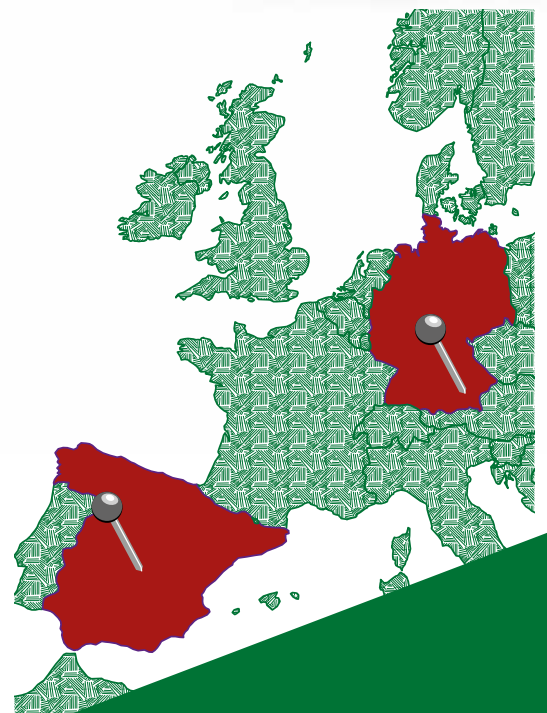

This new finger food line, developed by two experienced chefs, a Munich-based food trendsetter, and an industrial partner from Madrid, combines culinary sophistication with professional practicality.

The idea: Small, surprising moments of enjoyment that fit perfectly in the center of the plate, meeting modern dining and dining habits, and offering restaurateurs a safe, economical solution. Crafted with a focus on craftsmanship, planned with market orientation, and implemented with industrial precision, the result is an innovation that fills a true niche in the finger food sector – modern, attractive, and ready to use.

The products themselves combine three key aspects:

- Culinary sophistication: Creative fillings, innovative textures, and aromatic balance developed by experienced chefs who know how to surprise guests.
- Modern eating habits: Portioned, clean, without cutlery, and perfect for the center of the plate – ideal for sharing concepts, casual fine dining, or innovative event catering.
- Market and trend awareness: Well-thought out from purchasing to staging, with a focus on sustainable raw materials, visual impact and easy handling for the restaurateur.

Location: Munich & Madrid

125712 Rib Bites Panko

Sous-vide cooked baby back ribs, off the bone, in barbecue sauce, mixed with mozzarella and red cheddar. Shaped into balls, breaded in crispy panko. Each bite weighs approximately 22 – 25 g and has a diameter of 4 cm.

125713 Breaded Cajun Rib Bones

Baby back ribs marinated in a mildly spicy Cajun spice blend and cooked at low temperature. Individually segmented on the bone and coated in a spicy breading. Each piece weighs approximately 50 – 60 g and measures 8-9 cm long.

125722 Beef Shortrib Croquette

Beef rib, cooked sous vide with our intense spice blend, boned and shredded, finished with barbecue sauce and cheddar cheese. Shape into a croquette and coated in crispy panko. Each piece weighs approximately 25-30 g and measures 4,5 cm long.

125723 Roasted Aubergine Bite with Black Sesame (VEGAN)

Roasted and chopped eggplant with Levantine-style flavors—with umami from sun-dried tomatoes, fresh basil, mint, and vegan cheese. Formed into balls and coated with panko, oat flakes, and black sesame seeds. Each bite weighs approximately 30 g and has a diameter of 4 cm.
