

### About: Rangeland

Rangeland Foods is a family-run business that produce beef products, like hamburger patties and beef strips. Founded in 1982 in Co. Monaghan, Ireland, this company works exclusively with Irish beef that is supplied by four local certified slaughter plants. Rangeland Foods is known for constant innovation & flexibility to customer demands. Private label production can be realized for relatively small quantities. Rangeland Foods produce highly consistent quality products, even in large quantities. You can rely on always receiving the same cooking performance, taste, shape, portion weight, juiciness, etc. Rangeland Foods perform up to 51 tests on each production batch to guarantee consistent quality.
